

**First Christian Church Preschool
Website & Social Media Permission Form**

First Christian Preschool is now on Facebook and Instagram! Our goal is to keep you informed and up-to-date with what is happening in your child's class, and also promote what a first class early child education center FCC Preschool is in both Paducah and the surrounding communities. Additionally, FCC has a website that includes information and activities that helps us communicate what we're doing at school throughout the year.

We take numerous pictures of your child during the year and hope to incorporate these into our social media accounts and the church website. Before we can publish any photos of your child electronically, we must have your permission to do so. Please choose "YES" or "NO" as to whether you give permission for your child's photo to be published on FCC's website and/or social media, sign and date, and return this form as soon as possible.

Thank you for your cooperation in all these matters!
