

Youth Spotlight

Our featured youth this month is **Aiden Caywood**, who is a 15 year-old freshman at Paducah Tilghman High School. Even though it is his first year, Aiden is already very involved with high school activities. He plays the tenor saxophone in the PTHS band which made it to the state semi-finals this year! Aiden also sings with the choir and is a member of the "elite" a cappella group, "Prime Rib." Between band & his vocal groups, Aiden has performed at places such as Walker's Hall, The Carson Center, Clemmons Fine Arts Center, and downtown for the unveiling of the quilt mural. The band even played on the news at the family center by Bike World.

Aiden would like to attend medical school to become a neurologist in the future. He enjoys playing guitar, listening to music, and reading. If you haven't seen him yet, Aiden also works every other week in our church's nursery on Sunday.

Who has been the biggest influence? Aiden states, "My parents have been very influential in everything I do because they support & accept me no matter what."
